

AL QUIMIA

al-qui-mi-a

Chemistry of the Middle Ages; medieval occult science aimed at discovering the water of life.

Like the alchemists of the Middle Ages thought the water of life through the fusion of metals, Al Quimia intends with the fusion of flavors, textures and aromas, creating new sensations, experiences and gastronomic wonders. More than a gourmet redefinition is a fine dining with absolute creative freedom.

Chef Luis Mourão and his team use their experience, typical regional products and the proximity to the sea as inspiration for their creations that will test our sensorial barriers, vowing to defy, bite by bite, sense by sense, and amaze.

Finally, a wine list with 300 of the best national references, raising these creations to a divine level.
